Goodwill Industries Growing in Southwestern Michigan

Niles, Michigan (April 5, 2012) – Goodwill Industries of Southwestern Michigan recently leased a 10,320 square-foot building in Niles Township located at 2607 S. 11th Street. Jim Ringer, broker for Grubb & Ellis|Cressy & Everett (GECE) represented both the landlord and the tenant in this transaction. Goodwill Industries is one of the world's largest and most successful providers of employment and training services. With this newly leased space Goodwill plans to set up a donation center (not a Goodwill store) that will supply Goodwill's nine retail outlets in its region. Through the resale of goods donated by the community, Goodwill uses the revenue raised from the retail outlets to provide education and employment services to people throughout Southwestern Michigan. Goodwill's mission is to provide education, training, career support services and opportunities to people with barriers to employment so they can achieve self-sufficiency. Goodwill industries of Southwestern Michigan have been serving the community for over 56 years and are a member agency of Goodwill Industries International.
